Mossvale Park Music for the people concert

Beautiful Mossvale Park situated between Leongatha and Mirboo North is a much loved icon of South Gippsland, and is the home of a number of annual music festivals and concerts throughout the warmer months.

The main feature of the concert each year is the Victorian Concert Orchestra, which brings the park to life with a repertoire of light classical, popular and show tunes. Soloists will lead audiences through a delightful afternoon of entertainment.

The concert also features local South Gippsland talent, including the South Gippsland Wind Orchestra, South Gippsland Shire Brass Band and Brown's Cows Orchestra.

Sunday 26th February 2012
